:

This is in response to the renewed petition under 37 CFR 1.47(a), filed March 3, 2005.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the present petition. Notice of the filing of this application will also be published in the Official Gazette.

The application is being referred to Technology Center Art Unit 1744 for examination in due course.
